CHRISTMAS VOUCHER SPECIAL

*Everyone wants to improve their golf score...
so why not give someone a golf lesson voucher this Christmas?*

Go from...
*Above the swing
path, no
distance,
causing a slice
or pull shots to
left, inconsistent
contact*

to...
*The perfect
swing path,
longer,
straighter,
crisper, more
consistent
shots*

The following lesson vouchers are now available to purchase:

1. Christmas Voucher Special - 3 half-hour lessons for \$145 (valid until 30th June 2015)
2. For the golfer who wants to see a real reduction in their score - try the 5 hour lesson package for \$360 (to be used within three months following the first lesson)
3. For the golfer who is already getting lessons (or who is keen for a once-off golf experience) - try a single half-hour lesson for \$55 or one-hour lesson for \$90
4. For the golfer who has limited time (or doesn't like to practice) but still wants to improve their score - try a 9-hole playing lesson for \$180 (valid only on weekdays).
