## FUNCTIONS AT WOODLANDS GOLF CLUB

Established in July 1913 on 150 acres of land belonging to Count Fonseca's Mayfield Estate, our prestigious private Golf Club, steeped in tradition and history, is now one of the leading Clubs in Australia.

Set amongst landscaped gardens, manicured greens and fairways, the Clubhouse, first built in 1927 was modernised in 2010 at a cost of \$7 million. Whilst major renovations were made, original charm and atmosphere were retained.

You may choose to have refreshments and canapés served on the "Terrace" or congregate in the "Main Foyer" to enjoy the beauty of the gardens or sunset over the 18th Green.

With the versatility of our dining rooms we can cater from 80 -280 people. Your guests will enjoy the finest cuisine in spacious air conditioned comfort, served by our professional waiting staff.

We will also endeavor to meet any special requests and requirements you have.

Corporate golf is played on Tuesday's and Friday's with either morning or afternoon play available to suit the clients needs.

Numbers under 60 will be allocated a 2 tee start; all numbers over 60 will be a shotgun start with play from holes allocated by the club. The course will still be open to members on days where the number of participants is below 100.

The event of the day will generally be an Ambrose competition with Par or Stableford an option for players with registered handicaps.
